EXPERIENCE

The Bachelor & The Bachelorette ABC (2019-2023)

Senior producer responsible for managing a team of 6, creating original concepts, managing 6 figure budgets, and logistical/technical planning for local and international shoots.

The Doctors CBS (2013-2019)

Senior producer responsible for executing a weekly one hour episode, from pitching original concepts, booking and interviewing health/beauty/lifestyle experts as well as celebrities, to overseeing budgets and logistical shoots. The job also included experience in post production (video and voice over audio editing) as well as consulting for international spin offs of the show.

Amber Rose Show VH1 (2015-2016)

Developed and conceptualized an original late night TV show for VH1 that went on to be named by Cosmopolitan magazine as "one of the best things to happen to late night." Booked and interviewed celebrity guests, pitched original content, wrote scripts, oversaw post production, and managed a team of 6.
